

ACTIVITY REPORT
on the study visit to the Bihor County Public Health Directorate

Programme/Project: ESG-24/1-0005

Venue: Bihor County Public Health Directorate, Oradea

Period: 22nd and 23rd of April 2024, 8 hours

The purpose of the study visit was to gain insight into the activities of a regional public health institution.

The program consisted of presentations of each unit through on-site visits and PowerPoint presentations.

Number of participants: 21 students and two accompanying faculty members.

Programme content

The group of students was welcomed on the 23rd of April at 8:00 a.m. by dr. Diana Rus. Prior to the visit, the programme content had been agreed upon, and the participants were received by the head of each unit.

During the information and communication, the institution's staff shared their experience and presented the role and activities of the institution. They also guided the participants through the specialised laboratories.

The study visit took place in a serious yet relaxed atmosphere, with students showing considerable interest in the presentations. The visit concluded at 4:00 p.m.
